Pan African Bioinformatics Network for H3Africa

Introduction to Bioinformatics course: IBT

## Staff Training

### Day 2 Part 1a – Recap

**H3ABioNet**

Pan African Bioinformatics Network for H3Africa

Introduction to Bioinformatics online course : IBT

Kim Gurwitz

# Staff Training Day 1

## Welcome and getting to know each other

Introduction

Meet your local team

## IBT course rationale and logistics

Why IBT?

How will the IBT course run?

What can you personally bring and what can you learn?

Feedback

## BREAK

## Commitments, Responsibilities and communication

Meet the IBT core team

Commitments and Responsibilities: it's a two-way street

## Your classroom

Challenges and Solutions

IBT staff schedule

Team bio

# What did you learn?

## Activity (10 minutes):

1. Take 5 minutes to write down:
  1. Three things that you found interesting or important from day 1 of the staff training workshop.
  2. After 5 minutes, if not already in a circle, move your chairs so that everyone is sitting in one circle.
2. Give each person in the circle an opportunity to share what they wrote down. (Remember your ground rules when listening to others 😊 )
